

RPICameraCallback

```
graph BT; RPISignalCallback --> RPICameraCallback
```

The diagram illustrates a class inheritance relationship. At the top is a gray rectangular box labeled 'RPICameraCallback'. Below it is a white rectangular box labeled 'RPISignalCallback'. A blue arrow points vertically from the top center of the 'RPISignalCallback' box to the bottom center of the 'RPICameraCallback' box, indicating that 'RPISignalCallback' inherits from 'RPICameraCallback'.
